

# Thanks for Being Part of the VSP Family!

By enrolling in VSP®, it's clear that eye health is important to you. That's great because we love eyes, and we want to help you get the most from your vision coverage. Here's a quick overview of the most important info and tips you'll need to know to get started.

GETTING STARTED IS EASY!		
	<b>Create a vsp.com account</b>	Your VSP account is the best way to view your benefits, your yearly exams, and your savings. You can also view and print your Member ID card. Go to <a href="https://vsp.com">vsp.com</a> and click <b>Create an Account</b> to get started.
	<b>View your benefits</b>	Once you've created your account, you can easily view your benefits for 2022—including your WellVision Exam®, any copays, and your coverage for things like glasses, contact lenses, and LASIK.
	<b>Find an in-network doctor</b>	With thousands of in-network doctors, it's easy to find an eye doctor near you. Plus, you'll maximize your benefits at a Premier Program location, including <b>private practice doctors</b> and <b>Visionworks® retail locations</b> . All VSP members have access to the Premier Program—which is part of our incredible network of highly knowledgeable doctors—at no extra cost.
	<b>Schedule your eye exam</b>	An annual eye exam is an important window into your overall health, which makes it a must-have in your wellness routine. Even if you have 20/20 vision, it's essential to see your eye doctor every year to check your eye health.
	<b>Save on eyewear and so much more</b>	As a member, you have access to Exclusive Member Extras, totaling more than \$3,000 in savings.
